On Oct. 28, 2013, Dan Schnapp participated on a panel titled "Outstanding Issues for the Adoption of Cloud Computing in the Entertainment and Media Sectors" at the Cloud Computing West 2013 Conference in Las Vegas, a two-day event jointly sponsored by the Cloud Computing Association and the Distributed Computing Industry Association, which brings together multiple stakeholders in the cloud-based distribution space (content creators, copyright holders, distributors and technology solution and service providers alike) to discuss the latest advances and challenges presented in the implementation of cloud-based solutions for the storage, delivery, distribution and exploitation of high-value entertainment content. Joining Dan on the panel were executives from Netflix, Microsoft, Amazon and Las Vegas Sands Corporation, among others.
