April 12, 2019 — For the fourth consecutive year, Hughes Hubbard has been recognized by Global Arbitration Review as one of the top 30 international arbitration firms in the world.

HHR's selection for inclusion in the elite "GAR 30" appears in the 12th edition of GAR 100. The rankings were unveiled April 5 at the 9th annual GAR awards ceremony at the InterContinental Hotel in Paris.

The GAR 30 is based on several factors, including such things as the number of arbitral hearings conducted by a firm over a two-year period, the value of the cases handled by the firm, the number of arbitral appointments of firm members, and the number of individuals who appear in Who's Who Legal: Arbitration.
